Dear Ms Elliot

**RE: RPI21/028 – Extension of time to respond to Further Requirements Notice dated 28 March 2023**

I refer to the Further Requirements Notice received on 28 March 2023 in relation to Regional Interests Development Application (RIDA) RPI21/028 Arrow – Wells and Gathering Lines.

In line with Section 44(4) of the Regional Planning Interests Act (RPIA) 2014, Arrow writes seeking a further extension from the current due date of 29 March 2024 to 31 July 2024. This extension will allow Arrow to provide an amended supporting report with the requirement notice response.

If you need more information, contact Darryl Patching (Regulatory Approvals Specialist) on 3012 4184, the contact for Arrow Energy for all Regional Planning related matters.

Thank you for your assistance in this matter.

Yours sincerely,

General Manager Land, Approvals & Groundwater
